Walk to school checklist

Checkmark all the safe things you do when walking to or from school. Do you do all ten?

- I always walk with a parent or a friend.
- I only walk on sidewalks and in designated crossing areas; not in the street.
- I always look both ways before crossing the street.
- I am always alert and do not wear headphones or look at distractions.
- When I am crossing the street, I always look at the driver to make sure he or she sees me before I cross.
- I do not jaywalk to cross the street and only use designated crosswalks.
- I make sure to follow all traffic and safety signs.
- I wear bright clothing to help me be seen.
- I make sure to stay off railroad tracks and avoid places pedestrians are not allowed.
- I try not to walk at night, but if I have to I make sure I am not alone; I have a flashlight and I only walk on streets with a lot of lighting.
