About Us

Walk 'n Rollers is a nonprofit organization dedicated to promoting safe, active, and healthy communities through walking, biking, and pedestrian safety education programs. Based in Southern California, the organization works with schools, cities, and community partners to provide free or low-cost programs that encourage people of all ages to safely use active transportation.

Through its programs and outreach efforts, Walk 'n Rollers aims to improve public health, increase mobility access, reduce traffic injuries, and create more connected, sustainable communities.

Internship Overview:

This internship at Walk 'n Rollers offers a unique opportunity to gain hands-on experience in nonprofit program support and community outreach. The intern will work closely with the organization's team to assist in the planning, coordination, and execution of various programs aimed at promoting active transportation.

Key Responsibilities:

Event Support:

- Assist in the planning and coordination of community bicycle safety events.
- Support logistics for community activities, including setup, hosting and coordination of material distribution.

Outreach and Education:

- Contribute to the development and implementation of encouragement campaigns.
- Assist in creating and distributing outreach materials, including flyers, brochures, and online content.

Safety Education Programs:

- Support the facilitation of Kids Bike Skills Workshops, Bike Valet and outreach tabling events, ensuring a smooth flow of activities and assisting instructors as needed.

Administrative Support:

- Assist in maintaining organized records related to program participants, events, and outreach efforts.
- Support data entry tasks and generate reports to contribute to program evaluation.

Community Engagement:

- Participate in outreach efforts to raise awareness about the benefits of walking and biking to school.
- Assist in engaging with parents, schools, and community members to promote active transportation initiatives.

Qualifications:

- Currently enrolled in a college or university program related to public health, transportation, urban planning, nonprofit management, education, or a related field.
- Strong organizational skills and attention to detail.
- Excellent communication skills, both written and verbal.
- Passion for promoting active and sustainable transportation among children.
- Ability to work collaboratively in a team and adapt to a dynamic work environment.
